

Days of Creation Craft

© DomanMom.com. Free for personal use only: not to be sold, copied, or redistributed on another website.

1. Print all pages on thick card stock paper.
2. Cut out numbers along black line
3. Collect suggested supplies:
 - Colored pencils, markers, or crayons
 - Black paper (for days 1 and 4) or just black marker/crayon
 - Glitter (day 1: light)
 - Cotton balls (day 2: clouds)
 - Stickers of flowers, trees, plants (day 3)
 - Stickers or paper cut-outs stars, sun, moon
 - Stickers of sea creatures (fish, whales, starfish, etc) and birds (day 5)
 - Stickers of animals, insects, and a man (Adam) (day 6)
 - Letter "Z" stickers

Alternatively, if stickers all or some of these items are not available, they may simply be drawn.

1: God makes Light and Dark

Suggestions: Glue black paper on bottom half of number (to represent darkness). On top half, sprinkle with light glitter (light).

2: God makes the Atmosphere

Suggestions: Color number blue (*sky*). Rip up small pieces of cotton balls and glue to number (*clouds*).

3: God separates the dry land from the water: makes all vegetation.

Suggestions: Color bottom half brown and green (*ground*) and top half blue with waves (*water*). Add stickers of flowers, plants, etc. to bottom half (*or draw them*).

4: God makes the Sun and Moon

Suggestions: Cover number with black paper. Add cut outs (*or stickers*) of stars, the sun, and the moon.

5: God makes all Birds and Sea Creatures

Suggestions: Color bottom half dark blue (*water*) and top half light blue (*sky*). Add stickers (*or draw*) of sea creatures in water, and birds on top.

6: God makes Land Animals, Insects, and Man

Suggestions: Color number green or brown. Add stickers (*or draw*) various animals and insects. Add sticker or draw picture of Adam.

7: God Rests

Suggestions: Color number light, peaceful colors (*or leave white*). Cover with "Z's" (*drawn or stickers*).
